Signature Teams Rooms

Transforming Meeting Experiences

CREATION NETWORKS AV

In today's evolving hybrid world, the demand for traditional conference rooms is diminishing. **Signature Microsoft Teams Rooms** are revolutionizing these spaces into i**mmersive and inclusive environments** that foster seamless connections between remote and in-room participants — ensuring every voice is heard and ideas flow freely.

Primary Design Objective & Intention

Remote Participants

Have a genuine presence in the meeting

All Participants

Meeting equity creates better connections and productivity

In- Room Participants

Individual equity is established for remote participants

Space Layout

- Curved table supports eye contact with remote colleagues
- Chairs face the display for maximum visibility and seamless engagement

Front-of-Room Displays & Microsoft Front Row

- Each participant appears individually for easy face-to-face interaction
- Chat, emojis and notes surround the meeting content to enhance collaboration and productivity

Audio and Camera Integration

- Spatial audio technology and an ultra wide-angle camera intelligently tracks meeting participants
- Each participant is represented equitably

Co-Creating Content

- Microsoft Whiteboard facilitates collaborative drawing and inking across various devices

Medium Signature Room

The Medium Signature Room creates a premium, immersive environment tailored for executive leaders, C-suite teams, and board members. Perfect for high-stakes, presentation-style meetings, this space delivers a commanding yet collaborative atmosphere where strategy is discussed and decisions are made. The Microsoft Surface Hub 2S can be added to facilitate more active collaboration.

- Microsoft Front Row technology offers spatial audio, face-to-face eye contact, and seamless content sharing
- Integrated Logitech sound bar and 21:9 aspect ratio wide-format display
- Salamander ARC Table 8 conference table supports eye contact between local and remote participants

Medium Signature Room featuring the Salamander Arc Table 6 at the Creation Networks WorkLife
